

JOY-DOCCAM V320

USB BOOK SCANNER

- ▶ Potable document scanner, easy to take anywhere.
- ▶ Via ABBYY OCR
- ▶ Only one USB cable is available.
- ▶ Less than 3 sec/page ultra- fast scanning speed up to A3 in size for single sheet.
- ▶ Approved of 3 level LED lights, L140 document scanner can work even in dimly lit environments.
- ▶ Benefit from intelligent software, L140 has versatility of auto flattening, fingerprint removal, smart paging, etc.

Being a smart & portable document scanner, L140 allows all scanning documents in various forms with a faster and more competitive way. Taking advantage of intelligent hardware and advanced algorithms, you can scan all books, magazines, contracts, or any paper documents in A3 size range at a speed of 60sec/40pages, without cutting or unbinding. All scanned files can be easily converted into editable Word, PDF, TIFF and Excel by OCR (Optical Character Recognition).

More Details
